Applicable to Chapter 11 cases in which substantial consummation has been completed.

SUMMARY

This procedure outlines the steps to be followed in a Chapter 11 case in which an order confirming the plan has been entered and substantial consummation has been completed. In a Chapter 11 case, substantial consummation is defined in 11 U.S.C. §1101(2).

PROCEDURE

It should also show the names and addresses, if known, of the holders of claims or interests which have not been surrendered or released in accordance with the provision of the plan and the nature and amounts of claims or interests, and other facts as may be necessary to enable the Court to pass on the provisions to be included in the Final Decree.

Final Account

The Final Account of the administration of the estate is a summary of the fees and expenses awarded by the Court and the claims allowed at the time of confirmation. **USE THE ATTACHED DOCUMENT TITLED "FINAL ACCOUNT."**

CHAPTER 11

ABC Manufacturing Company

DEBTOR(S)

CASE NO. 00-00000

FINAL REPORT AND APPLICATION FOR FINAL DECREE

.....

FINAL REPORT

NOW COMES ABC Manufacturing Company, Debtor herein, and submits this Final Report and Application for Final Decree. Contemporaneously with the report, the Debtor is also submitting a Final Account which should be considered in evaluating the Debtor's Application for Final Decree.

There has been substantial consummation of the Plan confirmed by the Court on [date of confirmation]. The debtor has transferred substantially all of the property proposed by the Plan to be transferred; the debtor has assumed the management of all the property dealt with by the Plan; and the Debtor has begun commencement of distribution under the Plan. Each of these three requirements under 11 U.S.C. §1101(2) is summarized below.

I.

Transfer of Property

The Plan proposed the sale of two different tracts of real estate, both of which had been sold prior to confirmation. From the sale of these two tracts of land, the debt owed the Federal Land Bank in the amount of \$00,000.00 was paid in full; the Internal Revenue Service was paid \$00,000.00; and State and County taxes in the amount of \$00,000.00 were paid. The sale disposed of the Class 3 claims and substantially paid the Class 2 claim of the Internal Revenue Service and all other priority tax claims owed by the Debtor.

The Plan proposed no further transfer of property other than that property which will be disbursed to the creditors under the Plan. None of the assets of ABC Manufacturing Company was proposed to be transferred and none has been transferred.

II.

Assumption by the Debtor of Management of Property

The Plan provided for the Debtor to stay in control of his business and continue to operate ABC Manufacturing Company after confirmation. The Plan did not contemplate any other individual or business entity taking control or assisting the Debtor in the management of the business and its property. Since [date of confirmation], the Debtor has remained in control and has operated his business pursuant to the terms of the Plan.

III.

In [month,year], the Debtor commenced distribution to all holders of Class 6 claims. The following amounts have been paid on those claims in each month since confirmation: \$000.00 in [month 1]; \$000.00 in [month 2]; and \$000.00 in [month 3, etc.]. The Debtor has also made payments in the amount of \$000.00 per month to the Internal Revenue Service for each of these [# of months] months. The Debtor has continued to pay First Bank since filing for relief and has made the payments required by the Plan to be made to First Bank since confirmation. The Debtor is current in his obligations to First Bank and will maintain that debt current until the debt is paid in full. The Debtor has not yet begun distribution of payments on Class 7 claims but the Plan did not contemplate distribution until after full payment to holders of Class 6 claims. As of the date of this report, the Debtor has made all payments contemplated by the Plan including the commencement of distribution to unsecured creditors.

APPLICATION FOR FINAL DECREE

As shown above, there has been substantial consummation of the Plan. The Plan contemplated full payment of all claims and the debtor is on schedule for meeting this provision of the Plan. All administrative costs have been paid and it is not anticipated that there will be any further application for administrative expenses. All property to be transferred under the Plan has been transferred and no further transfers are contemplated.

WHEREFORE the Debtor respectfully requests the Court to approve his Final Report and grant his Application for Final Decree by entering a Final Decree in this case.
